

# Master of Accounting (MAcc) Association

## Purpose

The Master of Accounting (MAcc) Association has always placed a high emphasis on student leadership in community service. Led by the MAcc Student Council and advisor, Senior Lecturer Patrick Turner, the MAcc Association organizes several community service opportunities each year. Students, faculty, and staff are all participants, creating a bond rooted in bettering the community we have the pleasure of living in.

## Impact

The organization's largest event is MAcc Gives Back where students, faculty, and staff visit local nonprofits including Dress for Success, My Very Own Blanket, and many more for a day of service.

The group also participates in the Financial Education Teaches Children Healthy Habits (FETCH!) program hosted by the Ohio Society of CPAs, where students visit local elementary schools to facilitate a game that teaches children budgeting and smart spending.

Students of the MAcc Association also lead the Volunteer Income Tax Assistance (VITA) program, which offers free tax preparation to low-to-moderate income households from January to March.

## Ohio State Colleges/Units Involved

Fisher College of Business  
Department of Accounting & MIS
